

CANTERBURY MEDICAL RESEARCH FOUNDATION
UNIVERSITY OF OTAGO – CHRISTCHURCH
**HEALTH RESEARCH
OPEN DAY**

Sunday August 15, 2010: 1.00 - 4.00pm

**University of Otago - Christchurch School of Medicine Building,
2 Riccarton Avenue**

- Come and meet our local health researchers and talk to scientists and doctors about their ground-breaking research.
- See and hear about the latest results of research into cancer, heart disease, inflammatory bowel disease and many other conditions.
- See the latest developments in technology and hear about how these discoveries are helping improve health care.

Parking in Hospital Car Park on the corner of Antigua and Tuam Streets. GOLD COIN ENTRY
