

**CANTERBURY MEDICAL RESEARCH FOUNDATION
& UNIVERSITY OF OTAGO, CHRISTCHURCH
HEALTH RESEARCH OPEN DAY**

Sunday 15 August 2010

1 – 4pm

We would like to invite you, your colleagues and friends to attend our Health Research Open Day. This is a rare opportunity to learn more about the wide range of health research being undertaken in Canterbury. Medical Research saves lives and the Open Day allows the public a unique opportunity to look inside the labs view displays and equipment and meet the researchers.

We would be grateful if you could tell your family and friends about our Open Day.

LABORATORY VISITS

Tour 1: Gene Structure and Function Laboratory

Tour 2: Gastroenterology Endoscopy Department

Tour 3: Cervical Cancer Laboratory

Tour 4: Pathology Museum – Smoking and addiction with
Emeritus Professor Robin Fraser

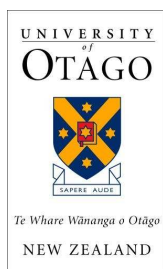

Tour 5: Christchurch Cardioendocrine Research Laboratory
